

Letter of Appreciation

The Las Vegas Metropolitan Police Department would like to send a special Thank You to **Artsy Nannies** for your participation in National Night Out!

On August 6th, 2013 the Las Vegas Metropolitan Police Department South Central Area Command teamed up with Town Square Las Vegas to celebrate the 30th annual National Night Out. This event was held to show citizens of Las Vegas that the Police Department along with our community businesses work together to take a stand against crime. At this event we had the following support from LVMPD's Armor, K9, SWAT, Traffic, CSI and Patrol units. Outside of our agency we had attendance from CCSDPD, AMR, Quality Towing, Super Pawn, NHP, CCFD and multiple military branches.

Artsy Nannies has provided great **Service** that made National Night Out a great success. The businesses of Town Square Las Vegas showed a tremendous amount of support in making this one of the largest National Night Out events in Las Vegas, NV and inspired the businesses inside the property to donate over **\$5,000.00!** The donations went as raffle prizes that raised money for the Las Vegas Metropolitan Police Department Explorer Program. These donations raised at National Night Out exceeded **\$1500** for the young adults of the Las Vegas Metropolitan Police Department Explorer Program. The donated money will help these Explorers in training and to receive a unique hands-on experience in the career of law enforcement. Having a community partnership like yours is appreciated during these economical times and we would like to congratulate you on a job well done!

We appreciate you being outstanding partners with the community and the citizens of Las Vegas. With the partnership we have developed we have made a huge step in the goals of Reducing Crime, Reducing the Fear of Crime and Improving the Quality of Life.

Thank you,
